List of modern day tricksters | Project Gutenberg Self ...

The earliest ancestors of the clown flourished in ancient Greece—bald-headed, padded buffoons who performed as secondary figures in farces and mime, parodying the actions of more serious characters and sometimes pelting the spectators with nuts. The same clown appeared in the Roman mime, wearing a pointed hat and a motley patchwork robe and serving as the butt for all the tricks and abuse of ...

clown | Definition, History, & Facts | Britannica

Sacred clown, ritual or ceremonial figure, in various preliterate and ancient cultures throughout the world, who represents a reversal of the normal order, an opening to the chaos that preceded creation, especially during New Year festivals. The reversal of normality that is the distinguishing mark of the clown relates him to the powerful world that existed before the present one.

Sacred clown | religion - Encyclopedia Britannica

clown The word comes from Low German, and originally described the peasant through uncomplimentary association with the soil that he tilled. 'Clown' meant 'clod, clot, lump', with more acerbic overtones of 'clumsy, loutish, lumpish fellow' and a female 'hoyden or lusty bouncing girl'. A clown was someone with rude manners, undisciplined physicality, and an inability to control ...
