Speaking - Michigan English Language Teaching

Building conversation into classes can aid in fluency and communication, and can help students build their confidence in their speaking skills. Many teachers who are new to using conversation will pose a question from a list of conversation starters and expect the students to engage. The usual result is the sound of crickets and blank stares.

Discussion starters : speaking fluency activities for ...

Mastering the speaking element of a language is always the trickiest. Unlike more passive skills like reading comprehension and to some extent listening, speaking requires you to think on your feet and express yourself in the moment.. To improve your fluency in speaking you can't just rely on memorising useful phrases or the most common words of a language.
